Counsel for GfK Custom Research , LLC

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

In re

GENERAL MOTORS CORP, *et al.*,

Debtors

**Chapter 11
Case No. 09-50026 (REG)
(Jointly Administered)**

LIMITED OBJECTION TO CURE AMOUNT

GfK Custom Research, LLC (GfK), through the undersigned counsel, respectfully submits this objection solely as it relates to the Debtors' proposed cure amount relating to assumption of certain GfK contracts.

On or about June 15, 2009, the Debtors served Notice of (I) Debtors' intent to assume and assign certain executory contracts, unexpired leases of personal property, and unexpired leases of nonresidential real property and (II) Cure amounts related thereto, (the "Assumption Notice"). The Assumption Notice refers the contract counterparty to a website to view the contracts designated for assumption (the "GfK Contracts") and the cure amount for the GfK Contracts. The website fails to list cure amounts for the GfK Contracts. The total amount currently owing to GfK arising out of the GfK Contracts at issue is \$88,609.50 (the "GfK Cure Amount").

GfK does not object to the assumption of the GfK Contracts but reserves all rights with respect to the GfK Cure Amount and preserves its right to assert additional cures or other amounts in the event of any post-petition (but pre-assumption) default.

WHEREFORE, GfK respectfully requests that the Court (a) sustain GfK's objection, (b) require the Debtors to pay GfK the full GfK Cure Amount in connection with assumption/assignment of the GfK Contracts at issue, and (c) grant GfK such other and further relief as is just.

Dated: June 26, 2009
New York, New York
